Action One: Prayer

God of light and life, we pray in great hope during this darkest time of the year that you shine your light on those living in the shadow of darkness, especially those who are undocumented with no path to permanent resident status or citizenship. To those who say, "Throw them out. Keep them out." we pray that you drive our fear and change their hearts to be welcoming and inclusive. Enlighten our minds and hearts to welcome you in the "stranger" who is seeking posada (shelter) and knocking at our door. We pray that members of Congress have the courage to pass a clean Dream Act to allow our immigrant brothers and sisters to reach their full potential. Open the doors of our hearts and minds to bring about compassionate immigration laws that will allow for the fullness of life and belonging. May we bless all families and help us realize that every family is holy. In this season of Advent and in the spirit of the prophet Micah 6:9, may we strive to "act justly, love mercy and walk humbly with our God." Amen. Written by Sister Bernadine
