### Action One: Prayer

Loving Father, in your infinite compassion, we seek your divine protection for refugee children who are often alone and afraid. Provide solace to those who have been witnesses to violence and destruction, who have lost parents, family, friends, home, and all they cherish due to war or persecution. Comfort them in their sorrow, and bring help in their time of need. Show mercy to unaccompanied migrant children, too, Lord. Reunite them with their families and loved ones. Guide those children who are strangers in a foreign land to a place of peace and safety. Comfort them in their sorrow, and bring help in their time of need. Show us how we might reach out to these precious and vulnerable children. Open our hearts to migrant and refugee children in need, so that we might see in them your own migrant Son. Give us courage to stand up in their defense against those who would do them harm. For this we pray through our Lord Jesus Christ, who lives and reigns with you in the unity of the Holy Spirit, one God, forever and ever. Amen (USCCB)

### Action Two: Calls/Letters

**NATIONAL LEVEL** - Congress is back from Thanksgiving break -- and first on the Senate's to-do list is pushing through a dangerous, unfair tax bill. Today and throughout the week, please call your Senators and tell them not to support this unfair tax bill.

**NATIONAL LEVEL** - Call your representative in Congress and tell them to pass legislation that creates a solution for ALL families who could lose TPS: (202) 224-3121

**NATIONAL LEVEL** - Demand a Clean Dream Act! Write to your member of Congress and demand a Clean Dream Act by the end of the year! <http://cgrcengage.com/oneamericavotes/app/onestep-write-a-letter?2&engagementId=413773>

**NATIONAL LEVEL - We need every member of the House to hear that their inaction is unacceptable. Call your representative at 888-704-9446 and tell them to pass the DREAM Act now to ensure young immigrants can stay in the country without fear?**

**NATIONAL LEVEL - Share The Journey - Right now, the Administration is considering how many people will find refuge from persecution in the United States for 2018. Please contact the Administration and Congress today and let them know that as a person of faith, you care about refugees.** [https://support.crs.org/act/share-journey?utm\\_source=CCGP-email&utm\\_medium=email&utm\\_campaign=migration-email](https://support.crs.org/act/share-journey?utm_source=CCGP-email&utm_medium=email&utm_campaign=migration-email)

**NATIONAL LEVEL - NAFTA is up for renegotiation. Help end a dangerous clause buried inside NAFTA. Investor State Dispute Settlement (ISDS), allows corporate executives to dispute a country's laws. When ISDS is included in trade deals, it has been hijacked by corporate interests and no longer serves the needs of the people.**
