### Action One: Prayer

God, in this season of Lent, we ask you to accept our repentance for our complicity in allowing neglect of civil and human rights. We pray that the minds and hearts of our elected leaders may turn from hostility toward immigrants, refugees, and Muslims, and toward compassion and justice. May we resist messages of fear and proclaim the reign of love. May our Lenten fasting and prayer strengthen our resolve to continue to work for justice and human rights despite the obstacles we encounter. Amen. (Devotion by Sister Marie Lucey, Franciscan Action Network)
