### **Action One: Prayer**

**Merciful God and Father of all, wake us from the slumber of indifference, open our eyes to the suffering of immigrants, and free us from the insensitivity born of worldly comfort and self-centredness. Inspire us, as nations, communities and individuals, to see that those who come to our shores are our brothers and sisters. May we share with them the blessings we have received from your hand, and recognize that together, as one human family, we are all migrants, journeying in hope to you, our true home, where every tear will be wiped away, where we will be at peace and safe in your embrace. Amen. (excerpt from a prayer by Pope Francis)**
