Action One: Prayer

Spirit of life, immigrant adults and children have traveled far from home with faith, hope and courage. Many have had terrifying and abusive experiences. We ask that they be comforted and blessed with healing and wholeness. May all levels of government, faith communities and organizations work with a spirit of compassion and cooperation so that they may receive the best care possible. Allow resources to be released through generous donations for their food, shelter, healthcare and personal needs. Amen. (Interfaith Committee for Detained Immigrants)
